

RLI International

December 2017

The Rotary Leadership Institute (RLI) is a multi-district, grassroots leadership development program of member districts organized into regional divisions throughout the world. It was recommended by the R.I. Board of Directors and strongly endorsed by the Council on Legislation at three of their triennial meetings. RLI conducts a series of quality leadership development courses for potential club officers and other club members, including those who have recently joined a Rotary Club. The courses emphasize both leadership skills and knowledge of Rotary around the world. All course sessions are completely interactive. The 81 RLI Regional Divisions believe that leadership education has a positive impact on membership retention by creating enthusiasm and furthering engagement for Rotary.
